

MOBILE BANKING IS HERE

The internet address for Mobile Web is:

<https://www.svdcu.org/mobile.asp>

For text messages, see the instructions below.

To take advantage of this new service, you must have a cell phone and the service appropriate for text messaging and/or mobile internet access. We must have the cell phone number that you are using on file. If your cell phone number is not on file, please access the home banking option on the internet. Once you are logged in the system, click on settings and enter your cell number. If you have more than one account, a different PIN must be set up for each. The PIN can also be changed in settings.

Please keep these instructions for future use.

For text messages follow these instructions. Be sure to place spaces as shown.

For Balances: svdcu (4 digit PIN) bal sd to: 95495 (for share draft balance)

For History: svdcu (4 digit PIN) hist sd to: 95495 (for share draft history)

For IRS Totals: svdcu (4 digit PIN) tax to: 95495 (IRS totals)

For Transfers: svdcu (4 digit PIN) x rs 0 sd 0 123.45 to: 95495 (transfer \$123.45 from rs 0 to sd 0)

Different share or loan abbreviated types can be input in place of those listed above. Not case sensitive.

For added convenience you have the option to set up the 95495 as one of your contacts. Once an initial message is sent, you may be able to set the message sent as a "Quick Text" or similar feature depending on the type of phone you have. This way you do not have to input all the above information each time you make a request. Listed below are popular abbreviations. If you need more information, please call (586) 264-1212.
